6 UNITED STATES DISTRICT COURT
7 WESTERN DISTRICT OF WASHINGTON
8 AT SEATTLE

9 JOHN THOMAS ENTLER,

10 Plaintiff,

Case No. C12-962-RSL-JPD

11 v.

ORDER RE: PLAINTIFF'S PENDING
MOTIONS

12 MICHAEL KNOX, *et al.*,

13 Defendants.

14 This is a civil rights action filed under 42 U.S.C. § 1983. This matter comes before the
15 Court at the present time on plaintiff's motion to amend his complaint, to extend time, and to
16 permit additional briefing. The Court, having reviewed plaintiff's motions, and the balance of
17 the record, does hereby ORDER as follows:

18 (1) Plaintiff's motion to amend his complaint (Dkt. No. 16) is DENIED. Plaintiff
19 seeks to amend his complaint to reflect his cause of action and request for injunctive relief under
20 the Religious Land Use and Institutionalized Persons Act ("RLUIPA"). Defendants argue that
21 plaintiff's motion is unnecessary because defendants have construed his original complaint as
22
23

ORDER RE: PLAINTIFF'S
PENDING MOTIONS - 1

1 asserting a claim under RLUIPA as evidenced by their reference to such a claim in their pending
2 motion for summary judgment.

3 While the amendment plaintiff seeks to make is a minor one, and not one which would
4 prejudice defendants at this juncture, plaintiff's proposed amended complaint is incomplete as it
5 consists of only two pages, the caption page and the relief page. An amended pleading operates
6 as a *complete* substitute for an original pleading. See *Ferdik v. Bonzelet*, 963 F.2d 1258, 1262
7 (9th Cir.) (citing *Hal Roach Studios, Inc. v. Richard Feiner & Co., Inc.*, 896 F.2d 1542, 1546
8 (9th Cir. 1990) (as amended), *cert. denied*, 506 U.S. 915 (1992)). Plaintiff's amended pleading
9 fails to adequately set forth any claim for relief because it omits the factual support for the claims
10 which is set forth in plaintiff's original complaint. Thus, plaintiff would be significantly
11 prejudiced if the Court were to accept for filing his proposed amended complaint. As defendants
12 have construed plaintiff's original pleading as asserting a claim under RLUIPA, it is in plaintiff's
13 best interests for the Court to deny his motion for leave to amend.

14 (2) Plaintiff's motion for an extension of time to respond to defendants' pending
15 motion for summary judgment (Dkt. No. 18) is GRANTED. Plaintiff's response was received
16 on April 8, 2013 and has been accepted for filing.

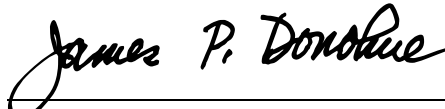

17 (3) Plaintiff's motion for additional briefing (Dkt. No. 22) is GRANTED. Plaintiff,
18 by way of the instant motion, seeks to present additional briefing in response to issues raised in
19 the Declaration of Henri P. Fischer which was submitted by defendants in conjunction with their
20 reply brief in support of their pending motion for summary judgment. Defendants indicate in
21 their response to plaintiff's motion that they do not oppose his request for additional briefing.

1 Accordingly, plaintiff is granted leave to file and serve an additional brief, limited to the issues
2 identified in his motion, not later than **May 28, 2013**. Such briefing shall be limited to six pages.

3 (4) Defendants' motion for summary judgment is RE-NOTED for consideration on
4 **May 31, 2013**.

5 (5) The Clerk is directed to send copies of this Order to plaintiff, to counsel for
6 defendants, and to the Honorable Robert S. Lasnik.

7 DATED this 6th day of May, 2013.
